

# 2024-2025

# DETEL SCHOLARSHIP INFORMATION

DETEL believes today's graduates are tomorrow's innovators. We want to inspire one graduating Senior from your school to pursue a career in Information Technology by awarding a \$500 scholarship to an eligible recipient.

## QUALIFICATIONS

Must be a graduating Senior of the 2024 - 2025 school year.

Strong consideration will be given to graduates intending to major in Information Technology or a related field; also to those who intend to enter IT-related job training. Graduates in other fields and trades are also encouraged and invited to apply.

Students should have a 3.0 GPA or higher.

The selected graduate must be willing to allow DETEL to use their name in the Avoyelles Journal, the Avoyelles Today website and on DETEL's social media accounts. Recipients will also fill out a W-9 Form for our records.

## HOW TO APPLY

- Students can apply by writing a brief summary about how technology has impacted or inspired them to pursue a career in the technology field. Students should submit their essay to their school's guidance counselor by end of day Friday, March 14, 2025.

- The selected recipients will be asked to pick up their scholarship at the DETEL Office in Mansura and will be asked to take a group picture.
